Annual Membership Fee = \$10	Hole – In – One Pot: (optional) = \$10	GF/CF = \$23	Prize Fund = \$5	Total Fees Per Day = \$28
Total Received:				

Other Information

Tournaments are held every Tuesday morning – Starting times varies by season. F&B discounts apply day of play only.

Course Rules: Slow play causes customer complaints, slows down the rest of the course, and eventually backs up to the first tee which results in lost tee times. You can help ease the problem by keeping up with the group in front of you throughout your round. Golf should be played in 4 hours or less. The pace of the golf course is determined by the slowest person on the course. Try not to be that person.

All riders are requested to enter the fairway at 90 degrees to your ball, and return the carts to the cart path when directed by the cart signs approximately 50 yards in front of the green. All carts should be on the cart path by tees and greens.

All tournaments are conducted under the U.S.G.A. Rules of Golf
